

2nd Annual Owners' Commissioning & TAB SEMINAR

**July 18, 2007
Baltimore, MD
Hyatt Regency Baltimore**

Put Your Company Front & Center with Key Industry Leaders!

Do you shop intelligently for Cx and TAB services?

What is the full commissioning process, anyway? In this concise one-day seminar, owners will learn the answers to these questions and more. From the design phase to assuming occupancy, attendees will learn how to work with – and organize – the Cx and TAB personnel through the project to achieve the system performance owners expect.

Session Topics:

- What an RFP should look like (with a take home copy of a RFP)
- Should a Cx firm have certified engineers?
- Should a Cx firm be a member of some commissioning organization?
- What to do if Cx starts in the Design Phase
- What to do if Cx starts in the Construction Phase
- What TAB industry standards are not being followed
- Starting TAB in Design Phase
- TAB beginning in the Construction-Submittal Phase
